

Attention **AIA/CSI** members:

Our Architect-Forum web seminar "*Combating Mold & Moisture with MgO*" is on line.

Some key points to note:

- The session is **FREE**.
- The session runs approximately 50 minutes with a brief quiz at the end.
- We can now offer *Continuing Education Learning Units* (1LU) to members of both the **AIA** and **CSI**.
- Those wishing to take this course need to log on to www.Architect-Forum.com, provide some information, create a password and take the course (in either one or multiple sittings).
- Architect-Forum will notify AIA/CSI and arrange for the LU to be credited.
